Re: Letter of Resignation
Bourbonnais Township
Township Assessor

Supervisor Umphrey and Township Trustees:

As you all know, I have served the Citizens of Bourbonnais Township as their Township Assessor since 1999. I take great pride in the work I have done in the Assessor's Office.

After 27 years as the Township Assessor, I have decided it is time for the reins to be turned over to the next generation of Assessors. As the Township Assessor, along with the qualified Members of the Staff, we assess the fair market value of the almost fifteen thousand parcels in the Township in order to fairly distribute the Property Taxes for each Property Owner. We have also processed countless tax exemptions on behalf of our Senior Citizens and Township Veterans.

In order to ensure that all of the pending Tax Protests are handled and the current County Board of Review matters are resolved before a new Assessor is appointed, I am tendering my resignation from the Office of Township Assessor, with an effective date of December 31, 2026. I will ensure that my successor will be able to hit the ground running, without any disruption to the operations of the Assessor's Office.

I want to thank the Citizens of Bourbonnais Township for their support over the years, and I appreciate the opportunity to serve with the best interests of the Citizens of Bourbonnais Township first in mind.

Respectfully,

Doug Anderson, C.I.A.O.
Bourbonnais Township Assessor
